Sandya K B

+91 90197 15593 kbsandya2007@gmail.com sandya-k-b-7a0a4a396 sandyaraj2007-commits

Skills

- **Programming:** Java, C, Python
- **Backend:** Java Basics, Python Basics
- **Core:** Data Structures Basics, OOPs, Operating Systems

Projects

Smart Dustbin Using AI *3 Months*

Technologies: Python, Arduino Uno, Ultrasonic Sensor, Servo Motor, Arduino IDE

- Developed an academic smart dustbin project using **Arduino Uno, ultrasonic sensors, and servo motor** to support automated waste management.
- Applied basic AI-based waste segregation concepts to improve waste handling, promote recycling, and reduce pollution.
- Contributed to cleaner surroundings and smarter waste management through an automated approach.

Solar Mobile Charging System *3 Months*

Technologies: Solar Panel, Rechargeable Battery, Charge Controller, USB Charging Module

- Developed a solar-powered mobile charging system using **renewable solar energy** to reduce dependency on conventional electricity.
- Designed a low-cost and portable charging solution suitable for students, commuters, and areas with limited access to electricity.
- Promoted sustainable technology by using clean energy for everyday mobile charging needs.

Experiences

Academic Projects *No Formal Work Experience*

- Handled project tasks including basic coding, component integration, testing, and documentation.
- Contributed to practical solutions focused on waste management and renewable energy.
- Gained hands-on experience in **Python, Arduino, sensors, and basic problem solving**.

Achievements

- Participated in academic projects and gained hands-on experience through practical implementation.
- Developed project-based knowledge in programming, hardware integration, and problem solving.

Education

Adichunchanagiri Institute of Technology *2025–2029*
Bachelor of Engineering in Computer Science and Engineering **CGPA: 7.3**
Chikkamagaluru

STJ Comp PU College *2025*
12th Standard **CGPA: 80.33**
Davanagere

Navachetana Higher Primary School *2023*
10th Standard **CGPA: 78.4**
Channagiri
